

Purple Passion New Millennium Delphinium

Delphinium 'New Millennium Purple Passion'

- ☼ Intense deep purple blossoms with bright white bees
- ☼ The New Millennium Delphinium strains outperform all other tall types and offer some astonishingly rich shades. They produce tall, stately spires on bushy and vigorous plants in a wide range of colours. Better heat tolerance than other delphiniums. Removing faded flower spikes at the base will encourage repeat blooming in the fall

Height: 4 Feet
