

# Lavender 'Phenomenal'

*Lavendula x Intermedia 'Phenomenal'*

- ☼ This selection forms a bushy mound of silver foliage, with long spikes of purple-blue flowers. Plants should be clipped back by half in spring. Attractive to butterflies. Excellent for fresh cutting, this is an excellent Lavender selection for drying. Often repeat blooms in late summer or fall. Exceptional winter survival
- ☼ For drying pick flowers when showing colour but before fully open and hang them in a cool, dry area
- ☼ Needs well drained/dry soil
