

Anna's Magic Ball Globe Cedar

Thuja Occidentalis 'Anna van Volten'

- ❁ Cute little sphere of cheerful yellow foliage that holds its colour all year round. Naturally grows into a tight rounded ball—no pruning necessary!
- ❁ Used for its distinctive shape and color. Great in the garden or shrub border.
- ❁ Developed in Canada, it isn't bothered by the harsh Canadian winters.

Height: 10-15 Inches

Zone: 3
