

Primrose 'Gigantea Mix'

Primula Gigantea Mix

- ❁ Large clusters produce a wide variety of colors with red, lavender, pink, white, and maroon, all with yellow centers and edged in white or gold. Blooms are held high above the foliage.
- ❁ Ideal for edging borders and paths, add to window boxes and containers
- ❁ Excellent for cut flowers and can be grown as a houseplant as well.

Height: 6-8 Inches

Zone: 3
