

Sparkling Stars Pink Masterwort

Astrantia Major 'Sparkling Stars Pink'

- ❁ Lovely red-pink and white pin cushion flowers in neatly cupped bracts held on near black stems above clumps of finely textured deep green leaves. Blooms freely from June to September
- ❁ Vigorous grower with large dark green clumping foliage
- ❁ Slugs don't like Astrantias so inter-planting them amongst other shade plants will tend to repel them

Height: 24 Inches

Zone: 4
